ACCEPTANCE

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT ("LICENSE") CAREFULLY BEFORE USING THE FIRST RESPONDER SUPPORT TOOLS (FiRST) SOFTWARE. BY USING THE FiRST SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL AND/OR USE THE SOFTWARE.

GENERAL

The software and documentation accompanying this License (collectively the "Product") are licensed, not sold, to You by ARA for use only under the terms of this License, and ARA reserves all rights not expressly granted to You. ARA grants You a nonexclusive, non-assignable, nontransferable license to Use the Product. This License is personal to You, and You may not agree to resell, sublicense, otherwise transfer, or delegate Your rights or obligations under this License.

CONDITIONS ON USE

You agree You will not decompile, disassemble, modify, translate, adapt, reverse engineer, create derivative works from, or sublicense the Product. You agree not to modify, alter, or deface any trademarks, service marks, or other intellectual property made available in connection with the Product. You agree You will evaluate and bear all risk associated with Your use of the Product, including reliance on the accuracy, completeness, or usefulness of the Product. Under certain use conditions, the Product may use data from external sources for which we cannot guarantee the reliability. You agree that ARA may terminate Your access to Product should You fail to comply with the Terms and Conditions of this License Agreement. ARA reserves the right to terminate this License Agreement, including Your right to use the Product if in ARA's sole discretion it believes that use may violate any local, state, federal, or foreign laws or regulations.

DISCLAIMER OF WARRANTIES

The product is provided on an "as is" basis, without warranty of any kind, including without limitation the warranties that it is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the product is borne by you. Should the product prove defective in any respect you, and not ARA, assume the entire cost of any service and repair. This disclaimer of warranty constitutes an essential part of this agreement. No use of the product is authorized hereunder except under this disclaimer. Some states or jurisdictions do not allow the exclusion of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to you.

LIMITATION OF LIABILITY

The product is distributed solely for training purposes and ARA disclaims any and all liabilities for any actions or omissions exercised in reliance on this product, the material contained herein and the accompanying material. The entire risk arising out of the use or performance of the product, the material herein and the accompanying material remain with you. You should

especially be aware that all factual situations you may encounter require individual evaluation on your part and you are solely responsible for your actions or omissions.

To the maximum extent permissible by applicable law, ARA is not liable for any indirect, special, incidental or consequential damages arising out of the use of or inability to use the product, including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other damages or losses, even if advised of the possibility thereof, and regardless of the legal or equitable theory (contract, tort or otherwise) upon which the claim is based. In any case, ARA's entire liability under any provision of this agreement shall not exceed in the aggregate the sum of the fees you paid for this license (if any). Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable to you. To the extent that damage is incurred by third parties, ARA is only liable to the extent that ARA would have been liable had the claim been made under this agreement, and you agree to hold ARA harmless for all liability exceeding liability under this agreement.

COPYRIGHT, TRADEMARK, AND PATENT NOTICES

All marks that appear throughout the Product belong to ARA or the respective owner(s) of such marks, and are protected by U.S. and international copyright and trademark laws. Any use of any of the marks appearing throughout the Product without the express written consent of ARA or the owner of the mark, as appropriate, is strictly prohibited.

INTELLECTUAL PROPERTY INFRINGEMENT CLAIMS

If a claim of copyright, patent, trade secret or other intellectual property rights violation is made against You based upon Your use of the Product, You agree to immediately notify ARA and allow ARA to control the litigation or settlement of such claim. ARA agrees to take control of the litigation and indemnify You by paying any settlement approved by ARA, or any judgment, costs, or reasonable and actual attorneys' fees finally awarded against You. This indemnification obligation does not apply if the claim is based on an unauthorized (i) combination of the Product with other software, (ii) modification by You of the Product, or (iii) a violation of this License, if such claim would not have been made but for the combination, modification or violation. If such a third party claim arises, or in ARA's opinion is likely to be made, ARA may, at its option and expense, (i) modify or cure the allegedly infringing item to make it non-infringing, (ii) replace the allegedly infringing item with a substantially equivalent item that is non-infringing, or (iii) terminate the license for the use of the Product. You agree to abide by ARA's decision.

GOVERNING LAW

North Carolina law, excluding choice of law provisions, and the law of the United States of America govern this License. (Alternative to the arbitration provision)

NON-WAIVER AND SEPARABILITY

ARA's failure to exercise any right or provision of this License will not constitute a waiver of such right or provision. If a court of competent jurisdiction holds any provision of this License to be invalid, the Parties agree that the court should endeavor to give effect to the Parties' intentions as reflected in the provision, and agree that the other provisions of this License remain in full force and effect.

TERMINATION; SURVIVAL

This License will continue in effect for as long as You use the Product, unless specifically terminated earlier by ARA. All provisions of this License which impose obligations continuing in their nature will survive termination.

SUBMISSIONS OF IDEAS

ARA is always improving its product and developing new features. If you have ideas regarding improvements or additions to the product, we would like to hear them -- but any submission will be subject to these terms and conditions. Under no circumstances shall any disclosure of any idea or related materials to ARA be subject to any obligation of confidentiality or expectation of compensation. By submitting the idea and/or any related material to ARA, you are waiving any and all rights that you may have in the idea or any related materials and are representing and warranting to ARA that the idea and/or related materials are wholly original with you, that no one else has any rights in the idea and/or materials and that ARA is free to implement the idea and to use the materials if it so desires, as provided or as modified by ARA, without obtaining permission or license from any third party.

EXPORT CONTROLS

You agree to comply with all applicable export laws and restrictions and regulations of the United States of America or foreign agencies or authorities, and not to export or re-export the Product in violation of any such restrictions, laws or regulations, or without all necessary approvals.

By accepting delivery of the Product, the government hereby agrees that this Product is "commercial computer software" within the meaning of the acquisition regulation(s) applicable to the procurement. The terms and conditions of this Agreement shall pertain to the government's use and disclosure of the Product and shall supersede any conflicting contractual terms or conditions. If this Agreement fails to meet the government's needs or is inconsistent in any respect with the federal law of the United States of America, the government agrees to return the Product unused, to ARA.
